

ADMISSION OFFER FOR FELIX NIAMAH

Zürich Mar 12th, 2021

Dear Felix Niamah,

I am delighted to confirm that your application for admission to the MSc Computer Science and International Business has been successful.

Due to the limited number of places available, this offer is contingent upon your formal acceptance and settlement of the registration fee as specified in the attached tuition fees overview.

Once this condition has been met you will be formally admitted and registered as a student within the University of Cumbria.

As a member of this MSc Computer Science and International Business class of 2021 you will belong to a diverse group of talented and experienced individuals from all around the world.

We look forward to welcoming you into the Robert Kennedy College community!

We are intensely proud of what we achieve at Robert Kennedy College in conjunction with the University of Cumbria, and we think you too will be proud of what you can achieve working with us.

I should like to take this opportunity of personally wishing you every success in this important and rewarding endeavour on which you are about to embark.

With kind regards,

Dr. iur. David Costa, LL.B, LL.M, MBA, Ph.D.(Basel)

Dean

Tuition Agreement

I have carefully read and understood the Catalogue of Academic Programmes. I understand that any amendment to the Catalogue will be reported on the college website at www.college.ch. I know its contents and I am bound by its conditions and rules.

The total tuition fee that I will have to pay is 12000.00 Swiss Francs. It will be invoiced, usually on a monthly basis, once I have accepted the present offer of admission by paying the registration fee. I am aware that before submitting the final dissertation all the tuition fees have to be settled in full.

I understand that upon admission the College will incur various expenses, including my matriculation fee at University of Cumbria, administration fees and other costs. I understand that if for reasons independent from the college I will be unable to follow the course I applied for, after the 30 days money back guarantee I won't be able to claim a refund on paid registration fees or tuition payments.

This contract is governed by Swiss law. Exclusive place of jurisdiction is Zürich, Switzerland.
